Pierre's Guide

Fall 2022

Contents

Chapter 1	Introduction to Probability _____	Page 2 _____
	1.1 Probability of Events _____	2 _____
Chapter 2	Counting _____	Page 3 _____
Chapter 3	Random Variables _____	Page 4 _____
Chapter 4	Discrete Probability Distributions _____	Page 5 _____
Chapter 5	Continuous Probability Distributions _____	Page 6 _____
Chapter 6	Multivariate Distributions _____	Page 7 _____
Chapter 7	Central Limit Theorem _____	Page 8 _____

Chapter 1

Introduction to Probability

1.1 Probability of Events

Chapter 2

Counting

Chapter 3

Random Variables

Chapter 4

Discrete Probability Distributions

Chapter 5

Continuous Probability Distributions

Chapter 6

Multivariate Distributions

Chapter 7

Central Limit Theorem
